Budget Update
July 12, 2005

The Governor signed the \$117.5 billion budget on Monday, July 11th. I've spoken with DPA Labor Relations Officer Frank Marr, and he informed me that DPA representatives are scheduled to meet with Governor Schwarzenegger today, Tuesday, July 12th. Pay letters and details affecting supervisors should be forthcoming soon.

I will have further updates, next week.

As I will be away for the remainder of this week, the next update will be Friday, July 22nd. If supervisory updates affecting benefits or raises occur before that date, the CCSO office will provide an update before July 22nd.
