

CALIFORNIA CORRECTIONAL SUPERVISORS ORGANIZATION

December 4, 2009 - Weekly Update

Next Update Friday, December 11th

Due to numerous seniority and placement meetings across the state, there is not an update this week. The layoff plans reducing 1/3 of the CDCR rehabilitation programs are negatively impacting many CCSO members.

Once again, the CCSO office wants to thank the Chapter Presidents who have stepped up to the plate and are assisting members at placement meetings. As the Administrative Liaison Ford Canutt, Administrative Field & Services Representative Bill Braden, and myself, Chief Operations & Financial Officer Pat Le Sage assist members at these placement meetings it brings to the surface the enormous financial deficit that California is facing.
